Nurse Assist Adds 20,000 Sq. Ft. in Fort Worth, Texas

FORT WORTH, Texas - **Nurse Assist Incorporated** adds 20,000 sq. ft. to expand its manufacturing plant in Fort Worth, Texas.

"We have added additional equipment and production space to meet the rapid growth in our USP Sterile Water and Saline product lines," says Bill Kanewske, Vice President of Operations.

Sterile USP Solutions are used in wound care, enteral irrigation, urology, IV therapy and many other areas of care throughout the medical environment.

Complete product information can be found at www.nurseassist.com.
