FOR IMMEDIATE RELEASE

New Pediatric Trach Tube Holder and TRACHTAPE™ Endotracheal Tube Securing Device

Nurse Assist, Inc. (Fort Worth, TX) announces two new tracheostomy tube securing products in the Respiratory line: The new WELCON 2742 Pediatric Size Trach Tube Holder and the TRACHTAPE™ Endotracheal Tube Securing Device. The new pediatric trach tube holder is a smaller version of the two-piece regular size favorite, and the TrachTape is the only pre-fabricated, ready-to-use device for securing endotracheal tubes.

For more information, contact Nurse Assist at 800-649-6800.
