Nurse Assist receives CE mark for its USP Sterile Saline Wound Flush

FORT WORTH, Texas - Nurse Assist has been issued an EC Production Quality Assurance Certificate, or "CE mark" for its USP Sterile Saline Wound Flush. Nurse Assist's sterile USP Saline Wound Flush is a drug and preservative-free, ready-to-use spray solution of normal saline for wound irrigation and wound debridement.

Following Nurse Assist's global product distribution launch which began in late November, 2009, the CE mark allows the product to be sold in countries requiring this certification.

Nurse Assist designs and manufactures proprietary medical devices used in all areas of healthcare. Nurse Assist is an FDA Registered Medical Device Manufacturer with an ISO 13485: 2003 Quality Certification.
