FOR IMMEDIATE RELEASE

Free Trial Offer Following FDA Initiative on Infusion Pump Risk

In response to the recent report from the FDA titled "Infusion Pump Improvement Initiative," Nurse Assist, Inc. is offering a special free trial of the RN+ IV Alert Wireless Monitoring System. The RN+ IV Alert is designed to help improve the safety of infusion pumps by sending a dedicated wireless signal to a console at the nurses' station. This trial is available through August 31, 2010.
